RE: Professional Reference Letter

To Whom it May Concern,

As the Chief Executive Officer for EmanciCare LLC and Senior Managing Director of inteliBlend LLC, it is with great pleasure that I offer this professional reference letter on behalf of the Donald R Kenney and Company, Triangle Real Estate Services, Inc. (collectively herein, "DRK") and Jaimine Johnson the Director of Commercial Real Estate ("Ms. Johnson"). I have had the pleasure of working with Ms. Johnson after acquiring a company that leased office space from DRK. I have now completed two transactions with Ms. Johnson and DRK. First, the assignment of the existing lease between DRK and the previous the company that I acquired lease that was set to expire on October 31, 2010. Second, I worked with Ms. Johnson to establish a new three-year lease with two one-year extension options.

Ms. Johnson takes great pride in her work and is committed to understanding the needs of our business. She is willing to invest in our business to ensure that we are well positioned to continue outstanding growth. What impressed me the most was her ability to respond to our questions and resolve any issues that arose quickly and to our satisfaction. I have been in the commercial real estate business for most of my life and it is rare to find such a well-balanced company like DRK coupled with such thoughtful leadership of someone like Ms. Johnson. Her properties are well maintained and she expects nothing but the best out of her staff, which is proven by their courteous and timely responsiveness.

With confidence, I highly recommend Ms. Johnson and DRK and would and hope to do business with them again in the very near future. I invite you to contact me directly if I can be of further assistance in sharing my experiences with DRK and Ms. Johnson.

Many thanks and have a wonderful day!

Sincerely,

Anthony J. Varone  
Chief Executive Officer
