Re: Triangle Commercial Properties LLC., DRK and Jaimine Johnson

To whom it may concern:

Having practiced law in Columbus over the last 15 years, I have had the occasion to work closely with many clients with diverse backgrounds, education levels and skill sets. I count myself very fortunate to have worked with Jaimine on several legal cases, and have developed not only a professional relationship but a personal one as well. I have found Jaimine to be quite intelligent and energetic, with an innate ability to focus on the larger tasks at hand while still keeping an eye on the small details that are so important in legal and business dealings. Jaimine is also very well adept at getting along with different personalities and working well with co-workers and others as well. Through the many legal matters on which I have worked with Jaimine over the years, I can confidently say that I believe she would be a quality member of your organization.

I would be happy to answer any additional questions you have regarding Jaimine and my professional experiences with her.

Sincerely,

Robert A Flaugh
